

## BCompliant cc Cookie Policy

Welcome to the BCompliant *Cookie Policy*. This policy works alongside our Privacy Policy. The purpose of this policy is to describe what *cookies* are, what we use them for, and how you can manage them during your visit to or use of our website.

### What are *cookies*?

We may place small text files called '*cookies*' on your device when you visit our website. These files do not contain personal data, but they do contain a personal identifier allowing us to associate your personal data with a certain device. Many websites use *cookies* and you can find out more about them at [All About Cookies](#)

### Why do we use *cookies*?

These files serve a number of useful purposes for you, including:

- tailoring our website's functionality to you personally by letting us remember your preferences, location or device type;
- improving how our website performs and
- understanding who our audience is so that we can provide content most relevant to you

### The types of *cookies* we use

We use different types of *cookies* on our website. These *cookies* may be deleted from your device at different times, such as at the end of your browsing session (when you leave the website) or after a pre-set amount of time.

We use the following types of *cookies* on our website:

Cookie type	Cookie function
Essential	Allows our website to perform its essential functions. Without these <i>cookies</i> , some parts of our websites would stop working.
Site Analytics	Monitors how our website is performing, and how you interact with it. We use them to know how best to improve our website or services.

### Deleting *cookies*

Your internet browser generally accepts *cookies* automatically, but you can often change this setting to stop accepting them. You can also delete *cookies* manually. You can read how to do this at Digital Trends.

Deleting or no longer accepting *cookies* may prevent you from accessing certain aspects of our website where *cookies* are necessary or because the website forgot your preferences.
